A Mystery of Paris.

The Paris journals relate the following 'A young married pair, M. Bastein, an architect, and his wife, occupied an apartment on the four h floor of the house 15 Boulevard St. Germain, having been matried about nine months. The lady was a Mille. Chaunard, the only daug! ter of a partner in a large commercial firm They were sincerely attached to eac other; Mme. Bastein was in an inte esting situation. On New Year's day they went to dine with M. Channard in the Rue de l'Ancienne Comedie, and re turned home at midnight. The morning the lady went out to make some purchases and returned about noon the course of the afternoon several persons called and rang, but no answer was returned. The day after M. Channard son-in-law, came about midday but could not obtain admission. Having consulted the omcierge, who informed bim that other persons had been equally unsuccessful, he sent for a locksmith and had the door opened, when the young people were found dead in ther bed, Mme. Bastein enveloped in a dressing-gown, and her husband in his waistcoat and trows-
