Special Despatches per Dominion Line.

New York, Feb. 17. -The thermometer is 15° above zero, and the ice in the river is undiminished in quantity. Over three thousand street hydrants are frozen, and great inconvenience is felt over a large portion of the city from want of water. The ice in the Sound is still frozen fast, and the Hudson River is completely bridged by ice opposite Fort Washing-

George Bull, bookkeeper of H. B. Claflin & Co., has been arrested for embezzling a large sum of money belonging the firm. The sum is variously estimated at from \$20,000 to \$100,000.

A Washington special says that the efforts to effect a compromise in Louisiana has not ceased, although the prospects are far from flattering.
