Cause of Sudden Death.

With sincere thanks for the above caused-chiefly, we are told, by congestion of the lungs. The late severely cold weather is blamed for this. But the We believe this may be found chiefly i the contracted state of the lungs of many persons from the want of active exercise. It is well known that, gyn nastic exercise -Hon. P. W. Moore, one of the old Death of the Champion Bunter. of the lungs, and it may naturally be inferred that inaction will give rise to the One of the "characters" in which the opposite condition; indeed there is no New England village life abounds has just doubt about this.
