Studying Geography-

While a newsboy was hanging around one of the depots yesterday a gentleman engaged him in conversation and inquir-"Do you go to school bub?"

"Yes, sir, and I'm in geography,' was "Ah, ha? where does the sun rise?" In the East. .Correct. Where does it set?'

'In the West.' "Thats right. What is the earth's surface comopsed of?

"Land and water, sir." Right again. Is the world round or flat. "Lets see, mused the boy, sitting down | tention given to this department. on a bench. 'Well I know dad and mam had a fight about that very thing, but I March 25, 1875. forget which licked!'
