The exhibition, as it has been in Believille daughter of Augustus Thibodo, Esq., Col- called, of to-morrow evening will be an confined to the members of the family present monotony. Owing to the large and a very few intimate friends. Mr. number of children present the examinaand Mrs. Barry left by the Cape steamer tion must necessarily assume a form somesingle school, but all the aubjects taught wedding trip, and bear with them the in the schools, and all the classes, will be warmest felicitations of all the people of fairly represented. As it would be wholthe platform of the Hall, it became nethe higher classes. All other school children will be admitted free, provided dians. As this experiment incurs some expense, and as the teachers and myself did not wish to ask the Board of Trustees to pay the expenses of the experiment, Miss Edith Moyle, daughter of the late we resolved to fix a small admission charge Lieut. Granville Moyle, R. N., of Ports- of ten cents to adults, and to apply all over and above the expenses to the purchasing of prizes for the most deserving

Trusting that the public will patronize the examination, and encourage both teacher and pupil to do still better in future, I remain yours truly, " " N.F. Dupuis, Inspector.
