I pany to purchase the Harwood House Property on Ontario street and erect thereon a new building in place of the old Irons' House, so as to moderize the Hotel and establish in Kingsestimated at \$12,000. The purchase of the been secured for \$15,000, part cash and part in stock of the Company. The additional cost of Furnishings will be about \$12,000. To meet these expenses it is preposed to put the Capital of the Company at \$4,000 or 400 Shares of \$100 each, payable as follows: Twenty-five per cent on the 15th September, 25 per cent in three months, and twenty five per cent in six months, and the remaining 25 per cent in a. I probability will not be required, but its call will be subject to the action of the Directors. It is estimated that the rental of the others, will at a moderate valuation amount to \$1,000 a year-and competent judges place the pro fits of the Hotel at not less than \$3,000 per year, or from rents and profits not less than 10 per cent on the Capital Stock of the Company. Mr. D. C. Burnett, long and favorably known as a Hotel proprietor has agreed to accept the management on engagement from year to year without salary for the first year, but afterwards as the Directors and himself shall determine upon. When not less than 300 shares have been subscribed for, the subscribers will be called together to elect Directors and appoint a Secretary and Treasurer.
