NEW REVISED EDITION

ENTIRELY REWRITTEN BY THE AB LEST WRITERS ON EVERY SUBJECT.

Printed from New Type, and Illustrated several Thousand Engravings and Maps.

The work originally published under the title of THE NEW AMERICAN CYCLOPÆDIA UNDERTAKER wide circulation which it has attained in all parts of the United States, and the single developements which have taken place in every branch of science, literature, and art, have induced the editors and publishers to submit it to an exact and thorough revision, and to issue a new edition entitled

THE AMERICAN CYCLOPÆDIA.

Within the last ten years the progress of discovery in every department of knowledge has made a new work of reference an imperative The movement of political affairs has kep pace with the discoveries of science, and their truitful application to the industrial and useful arts and the convenience and refinement social life. Great wars and consequent revolutions have occurred, involving national changes

Large accessions to our Graphical Knowledge Have been made by the indefatigable explorers

of Africa. The great political revolutions of the last de cade, with the natural result of the lapse o time, have brought into public view a multitue of new men, whose names are in every one's mouth, and of whose lives every one is curious to know the particulars. Great battles have een fought and and important sieges main E. SISTERS OF PROVIDENCE.

T T is thirty years and upwards since we com menced preparing this Syrup under the present name and during this time we have given away to the poor and sold many thou sand of bottles. It has been only at the earn est solicitation of our friends, of all classes and denominations, that we have considered it our duty to put it up in a shape suitable to be sold on the market, by this means reaching all who may nead it. The formula of the remedy is well known to medical gentlemed of this city, and dual agents known to the medical faculty for the cure of Coughs, Colds, Hoarseness, Pains Pulmonary affections.

the Chest, Disease of the Lungs, and all Its pleasant taste renders it peculiarly adapted for children, and if carefully administered. according to the directions, may be given to a child of a month old with perfect safety, and will afford immediate relief. It excites expectoration and causes the lungs to throw off the Phlegm or Mucous, heals the irritated parts and creates a healthy action. One of our eminent city physicians, Dr. E. H. Trudel, Professor in Victoria Medical College. Montreal, and Head Physician at the Dispensaries of the Sisters of Providence, etc., etc., who has used it extensively in his practice for nearly twenty years, speaks of it as follows: "75 DUBORD ST., MONTREAL.
