NEW REVISED EDITION

ENTIRELY REWRITTEN BY THE- AB-

APPLETONS'

LEST WRITERS ON EVERY SUBJECT. Printed from New Type, and Illustrated

several Thousand Engravings and Maps.

The work originally published under the title of THE NEW AMERICAN CYCLOPÆDIA was completed in 1863, since which time, wide circulation which it has attained in a parts of the United States, and the single developements which have taken place in every branch of science, literature, and art, have in duced the editors and publishers to submit it

a new edition entitled AMERICAN CYCLOPÆDIA. Within the last ten years the progress of dis-

to an exact and thorough revision, and to issue

covery in every department of knowledge has made a new work of reference an imperative The movement of political affairs has kept pace with the discoveries of science, and their | of every description; his the best Means, in fruitful application to the industrial and useful arts and the convenience and refinement of and country on the mer reasonable terms social life. Great wars and consequent revolutions have occurred, involving national changes of peculiar moment. The civil war of our own country, which was at its height when the last volume of the old work appeared, has happily been ended, and a new course of commercial and industrial-activity has been commenced.

Graphical Knowledge Have been made by the indefatigable explorers

Large accessions to our

of Africa. The great political revolutions of the last de cade, with the natural result of the lapse of time; have brought into public view a multitude of new men, whose names are in every one's mouth, and of whose lives every one is curious to know the particulars. Great battles have een fought and and important sieges mair tained, of which the details are as yet presery ed only in the newspapers or in the transient publications of the day, but which ought now to take their place in

of the editors to bring down the information to the latest possible dates, and to furnish accurate account of the most recent discoveries in science, of every fresh production in literature, and of the newest inventions in the practical arts, as well as to give a succienct and original record of the progress of Political and Historical Events.

In preparing the present edition for the

The work has been begun after long and careful preliminary labor and with the most ample resources for carrying it on to a success-None of the original stereotype plates have been used, but every page has been Printed on New Type.

Forming in fact a new Cyclopædia, with the

same plan and compass as its predecessor, but

with a far greater pecuniary expenditure, and with such improvements in its composition as have been suggested by longer experience and

enlarged knowledge. The Illustrations present edition have been added not for the sake of pictorial effect, but to give greater lufity and force to the explanations in the text. They embrace all branches of science and of able terms. infural history, and depict the most famous and remarkable features of scenery, architecture, and art, as well as the various processes of mechanics and manufactures. Although tended for instruction rather than embellish

mentino pains have been spared to insure their

Artistic Excellence. The cost of their execution is enormous, and ! it is believed they will find a welcome recep tion as an admirable feature of the Cyclopædia, and worthy of its high character. This work is seld to subscribers only, pay

able on delivery of each volume. It will be

fully illustrated with several thousand Wood Engravings, and with numerous colored Litho-Price and Style of Binding. In extra Cloth, per volume...... 5 /

In Library Leather, per volume.

In half Turkey Morocco, per volume. In halt Russia extra gilt, per volume. In full Morocco, antique, gilt edges, per volume..... 10 00 In full Russia, per volume...... 10 00 Twelve Volumes Now Ready.

Succeeding volumes, until completion will s issued once in ewo months. Specimen pages of THF AMERICAN CYCLOPÆDIA, showing type, illustrations. etc., will be sent on application. First-Class Canvassing Agents Wanted.

MAKES THE WEAK STRONG

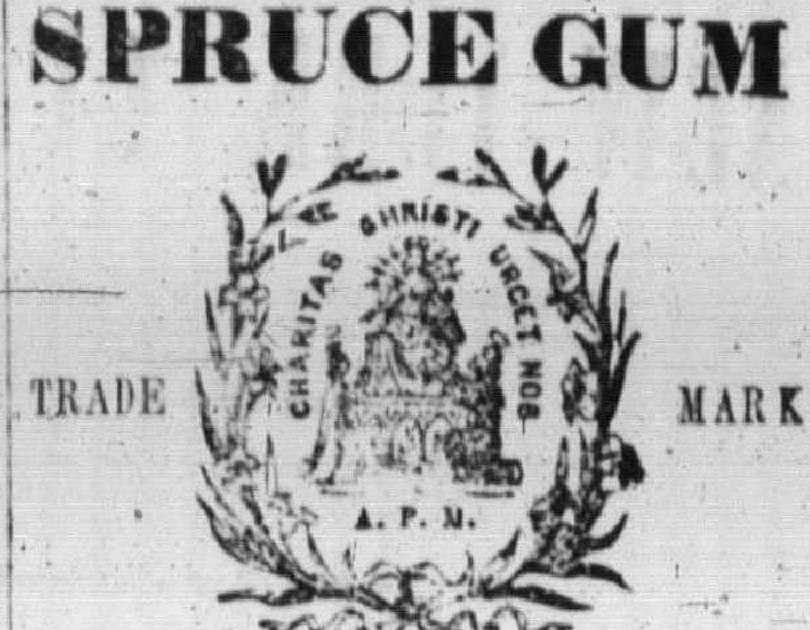

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as casily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "athousand ills." simply by Toning up, Invigorating and Vitalizing the System. The enricked and vitalized blood permeates every part of the body repairing damages and waste. tions, and leaving nothing for disease to feed upon. This is the secret of the won-

derful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarches, Boils, Nervous Affections, Chills and Fevers, Humors, Loss, of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints. and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free energizing effects are not follife into all parts of the system and building up an Iron Con-

by the use of this remedy, from itate to give it a trial. See that each bottle has PERU-YIAN SYRUP blown in the glass. Pamphlets Free

SISTERS OF PROVIDENCE, Montreal and Burlington, <1.

AS PREPARED BY THE

T is thirty, years and upwards since we com menced preparing this Syrup under the present name and during this time we have given away to the poor and sold many thouand of bottles. It has been only at the earnest solicitation of our friends, of all classes and nominations, that we have considered it our duty to put it up in a shape suitable to be sold out the market, by this means reaching all who may nead it. The formula of the remedy is well known to medical gentlemed of this city, and amproved of by them as one of the best remedual agents known to the medical faculty for to cure of Coughs, Colds, Hoarseness, Pains the Chest. Disease of the Lungs, and all Its pleasant taste renders it peculiarly adapt-

child of a month old with perfect safety, and will afford mmediate relief. It excites expectoration and causes the lungs to throw off the Phlegm or Mucous, heals the irritated parts and creates a healthy action. One of our eminent city physicians, Dr. E. H. Trudel, Professor in Victoria Medical College, Montreal, and Head Physician at the Dispensaries of the Sisters of Providence, etc., etc., who has used it extensively in his practice for nearly twenty years, speaks of it as follows: "75 DUBORD ST., MONTERAL. "It is now eighteen years and upwards that I have been attending physician to the Reverend Sisters of the Providence Asylum. During that period I have prescribed this 'Compound

ed for children, and if carefully administered.

according to the directions, may be given to a

Syrup of Spruce Gum, not only to the inmates but also to outside patients. The valuable properties this Syrup possesses. duduce me to place it in the formost rank amongst the remedies known to the Therapentist in all cases of Coughs, Bronchitts and Consumption, affording those troubled with these complaints the most wonderful relief. "E. H. TRUDEL, M.D." In placing this remedy before the public, we trust you will believe we are not actuated by any sorbid motive. Our object is not gain for ourselves, but that we may increase our means of doing good. We presume you are aware that our House is supported by voluntary contributions, and any increase to our means de

rived from our industry is devoted to alleviat-

ing the wants and sufferings of the afflicted.

the aged, the intirm, the friendless, homeless

and orphans of all classes and creeds.

We visit the sick and assist the needy to the utmost extent of our means, and we are sure that all will bear testimony of our desire to do good. To be ill or in want is sufficient to endist our sympathy and receive our care. frusting to receive your hearty co-operation We have the honor to be, etc., SISTERS OF PROVIDENCE.
