TT is thirty years and upwards since we com menced preparing this Syrup under the present name and during this time we have I sand of bottles. It has been only at the earnest solicitation of our friends, of all classes and denominations, that we have considered it our I duty to put it up in a shape suitable to be sold fon the market, by this means reaching all who may nead it. The formula of the rene y is well known to medical gentlemed of this city, and approved of by them as one of the best remedial agents known to the medical faculty for the cure of Coughs, Colds, Hoarseness, Pairs in the Chest, Disease of the Lungs, and all Pulmonary affections. Its pleasant taste renders it peculiarly adapt-

ed for children, and if carefully administered.

\$50 and Upwards child of a month old with perfect safety, and will afford unmediate relief. It excites expectoration and causes the dings to throw off the Phlegm or Mucous, healt the irrita ed parts and creates a healthy action. One of our eminent city physicians, Dr. E. H. Trudel, Professor in Victoria Medical College, 1 Montreal, and Head Physician at the Dispensaries of the Sisters of Providence, etc., etc., who has used it extensively in his practice for nearly twenty years, speaks of it as follows: "75 DUBORD ST., MONTREAL. "It is now eighteen years and upwards that I have been attending physician to the Reverend Sisters of the Providence Asylum. During that period I have prescribed this Compound

Syrup of Spruce Gum, not only to the minates but also to outside patients. "The valuable properties this Syrup possesses induce me to place it in the formost rank amongst the remedies known to the Thera-I pentist in all cases of Coughs, Bronchitts and Consumption, affording those troubled with these complaints the most wonderful relief. "E. H. TRUDEL, M.D." In placing this remecy before the public, we ttrust you will believe we are not actuated by Vany sorbid motive.
