It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. COMPOUND SYRUP
—OF—

SPRUCEGUM

TRADE MARK

AS PREPARED BY THE

SISTERS OF PROVIDENCE,

Montreal and Burlington, Vt.

IT is thirty years and upwards since we commenced preparing this Syrup under the present name and during this time we have given away to the poor and sold many thousand of bottles. It has been only at the earnest solicitation of our friends, of all classes and denominations, that we have considered it our duty to put it up in a shape suitable to be sold on the market, by this means reaching all who may need it. The formula of the receipt is well known to medical gentlemen of this city, and approved of by them as one of the best remedial agents known to the medical faculty for the cure of Coughs, Colds, Hoarseness, Pains in the Chest, Disease of the Lungs, and all Pulmonary affections.

Its pleasant taste renders it peculiarly adapted for children, and if carefully administered, according to the directions, may be given to a child of a month old with perfect safety, and will afford immediate relief.

It excites expectoration and causes the lungs to throw off the Phlegm or Mucous, heals the irritated parts and creates a healthy action.

One of our eminent city physicians, Dr. E. H. Trudel, Professor in Victoria Medical College, Montreal, and Head Physician at the Dispensaries of the Sisters of Providence, etc., etc., who has used it extensively in his practice for nearly twenty years, speaks of it as follows:

"275 DUROCHER ST., MONTREAL.

"It is now eighteen years and upwards that I have been attending physician to the Reverend Sisters of the Providence Asylum. During that period I have prescribed this Compound Syrup of Spruce Gum, not only to the inmates but also to outside patients.

"The valuable properties of this Syrup possesses induce me to place it in the foremost rank amongst the remedies known to the Therapeutist in all cases of Coughs, Bronchitis and Consumption, affording those troubled with these complaints the most wonderful relief.

"E. H. TRUDEL, M.D."

In placing this remedy before the public, we trust you will believe we are not actuated by any sordid motive. Our object is not gain for ourselves, but that we may increase our means of doing good. We
