THE WELCOME FALL. The Fall! the Fall! the welcome Fall!

Thy sweltering sire's scorching reign Is past and we are cool again. Season bland of tolinge gay When woods put on their bright array When earth her products yields the while And languid faces learn to smile, Then man torgets the heat and toil Summer inflicts-his bliss to spoil. Blest season! Kindliest of the year. Without thee wretched, and and drear Would man's lot be-his fearful doons Two winters in sight -and worse to come. Then let as be glad-each token and sign Of weatherly influence all combine Is at hand, to comfor us one and all.

A Pitiful and Ingracious Policy. The Pall Mall Guzette reminds us that

tion to a subject little heard of as yet in this country-namely, the intention the Canadian Government to establish, for the training of the staff of the Domin ion militia, a model, West Peint of its or will be forwarded to any address on receipt own, modelled somewhat after the col- of price by Dr. E. Mathieu, 198 Notre Danie lege of the United States rather than on | Street. Montreal. the lines of Woolwich or Sandhur. t, which it might be more difficult to apply in a the throat, to restore perfect soundness and new country. But the essence of the health to the most deheate organizations of West Point method as readers of Colonel | the human frame-the lungs-use Dr. Wistar's Fletcher's report will remember, is the Balsam of Wild Cherry, which is still prepared excellence and completeness of the structional staff, composed chiefly of picked officers from the army. Such a staff. over forty years since. even on a small scale, Canada can course only procure from England, and is said that Lord Dufferin had this among other objects in view in his recent visit No request could be more reasonable than that a great colony suddenly de- glass. Our legal success in dealing with i prived of its military garrison should be fringements upon our name and rights wil assisted from the mother country with a This tribute of imitation is paid to all mento few good officers to help in training its rious and successful preparations. law forces. And a Government whose members when in Opposition condemne the suddenness with which Lord Cardwell | with many constitutions, securely establish the withdrew the garrisons of our dependencies, might have found in the request of Canada an opportunity of appearing repair at a very trifling cost the supposed everyoue to take care of a cold until it is got rid slight put on the Dominion.
