THE CONQUERED BANNER.

The following beautiful lines were written The fall of the Southern Confederacy, and are a tribute to the 'Stars and Bars :" Furl that Banner, for 'tis weary, Round its staff 'tis drooping dreary. Furl it, foid it it is best ; For there's is not a man to wave it And there's not a sword to save it. And there's not one left to lave it In the blood which heroes gave it

And its foes now scorn and brave it-Furlit, hide it; let it rest. Take that banner dowr, 'dis tattered Broken is its staff and snattered. And the variant hosts are scattered. Over whom it floated high. Oh; tis hard for us to fold it Hard to think there's none to hold i

Hard that those who once unrolled Now must furl it with a sigh. Furl that banner, furl it sadly-Once ten thousand bailed it gladly, And ten thousand wildly, madly Swore it should forever wave Swore that foeman's sword, should nev fearts like theirs entwined dissever. Till that flag should float forever

O'er their freedom or their grave. Furl it, for the hands grasped it, And the hearts that foudly clasped Cold and dead are lying low : And the banner it is trailing, While around it sounds the wailing Of its people in their woe. For though conquered they adore it Love the cold, dead hands that bore Weep for those who fell before it. Pardon those who trailed and tore it. Now to furl and fold it so.

Furl that banner ;-true 'tie glory. Yet 'tis wreathed around with glory. And will he in song and story. Though its folds are in the dust For its fame on brighter pages, Penned by poets and by sages. Shall go sounding down the ages-Furl its folds though now we must.

Furl that banner, softly, slowly. For it drops above the dead; ouch it not, anfurl it never, Let it droop there, furled forever For its people's hopes are dead.

The reason that Alderman Turner DEN wasn't elected is because he was kind of fortnightly. This is, he was too weak. -They say an Orillia man abroad will keep a second-hand chew of tobacco on the bed-post for three days rather than buy a fresh plug from a Barrie store-

We refer to "Darley's Condition Powders and Arabian Heave Remedy" now being extensively used by many of of the largest horse dealers in the country these men have discovered that improves the condition of the horse by puritying the bloud and removes from the lungs and liver all the prevents their healthy action; its effect is soon apparent in the improved appearance of the animal, which is one great reason why horse dealers use it, as the rare thus enabled to get better prices and at the same time give their customers sound and healthy horses. WHAT THEY SAY OF IT! A FEW FACTS FOR THE PEOPLE. - There are but few preparations of medicines which have withstood the impartial judgment of the people for any great length of time. "I have been afflicted with rheumatism for the last ten years, and have tried many remedies without any relief, until I tried Dr. Thomas Eclectric Oil, and since then have had no attack of it. I would recommend it to all." -J. H. Earl, Hotel Keeper, West Shefford, P.Q., writes, "I have been troubled with liver complaint for several years, and hove tried different medicines with little or no penefit, until I tried Dr. Thomas' Eclectric Oil, which gave me immediate relief, and I would say that I have used it since with the best effect. No one. should be without it. I have tried horses in cases of cuts, wounds, etc., and think it is equally as good for horse as for man."-Maybee, merchant, Warkworth, writes,"I have sold some hundreds of bottles of Eclectric O' and are pronounced by the public, one of the best medicines they - ave never used;' it has done wonders in healing and relieving pair sore throats, etc., and is worthy of the greatest confidence."-Joseph Rusan, Township Percy, writes, "I was persuaded to try Thomas Eclectric Oil for a lame knee which troubled me for three or four years, and I never found any. thing like it for curing lameness.
