SISTERS OF PROVIDENCE, Montreal and Burlington, et.

I T is thirty years and upwards since we com I menced preparing this Syrup under the present name and during this time we have given away to the poor and sold many thousand of bottles. It has been only at the earnest solicitation of our friends, of all classes and denominations, that we have considered it our duty to put it up in a shape suitable to be sold on the market, by this means reaching all who may nead it. The formula of the remedy is well known to medical gentlemed of this city, and approved of by them as one of the best remedual agents known to the medical faculty for the cure of Coughs, Colds, Hoarseness, Pains in the Clest, Disease of the Lungs, and all Pulmonary affections.

Its pleasant taste renders it peculiarly adapt ed for children, and if carefully administered. according to the directions, may be given to a child of a month old with perfect safety, and will afford immediate relief. It excites expectoration and causes the lungs to throw off the Phlegm or Mucous, heale the irritated parts and creates a healthy action One of our eminent city physicians, Dr. E. H Trudel, Professor in Victoria Medical College Moutreal, and Head Physician at the Dispensaries of the Sisters of Providence, etc., etc., who has used it extensively in his practice for

nearly twenty years, speaks of it as follows:

'75 DUBORD ST., MONTREAL. "It is now eighteen years and upwards that I have been attending physician to the Reverend Sisters of the Providence Asylum. During that period I have prescribed this 'Compound Syrup of Spruce Gum, not only to the nmates but also to outside patients. "The valuable properties this Syrup possesses induce me to place it in the formost rank amongst the remedies known to the Therapeutist in all cames of Coughs, Bronchitis and Consumption, affording those troubled with these complaints the most wonderful relief. "E. H. TRUDEL, M.D." In placing this remedy before the public, we trust you will believe we are not actuated by any sorbid motive. Our object is not gain for ourselves, but that we may increase our means of doing good. We presume you are aware that our House is supported by voluntary con-
