GOLD in New York at 3 o'clock 1131 CORRECTION. -In the letter of "Diogenes" in last evening's issue, "\$10 00 for eash of two hundred persons," should have read "for each of two hundred, per-

have read \$2,000 00 instead of \$1,000.00.

NEARLY GONE. - But a vestige remains of the snow, the product of a series on blustering storms. The roads are very peasants of Connaught are very skillfu day's market, which was expected to be of Toronto are Canadian agents for Harso good owing to its close proximity to tions by post upon receipt of price.

Thristmas, was a miserable failure. But Christmas, was a miserable failure. But a dozen sleighs or so graced the square.

A SCHEME. - The Street Committee met yesterday and again to-day, to devise a scheme by which men can be best and most usefully employed in public work. There are many things proposed but requires nice discrimation to decide which needs earliest attention and the carrying LLAR small price. For full particulars of the out of which is most urgent in the public

> TALL STORY. -The Watertown Despatch narrates the following circumstance as indicative of the severity of the cold at Cape Vincent on Sunday last:

"It seems that one of the citizens of that village set fire to a huge pile of brush and dry wood in the rear of his house in the morning, and was somewhat surpris- air "Auld Lang Syne." Extracts from ed to find in the afternoon a stream of Lord Dufferin's speech at Lordon were flame some forty feet high frozen solid.

A LAUNCH .-- Yesterday morning Messieurs Calvin & Breck launched their big barge-the largest built by them or any firm in this vicinity. She is not finished, but it was necessary to remove her from the stocks in order to make room for the keel of the large ocean vessels, which will be laid at once. To effect the launch yesterday the ice was cut for some distance opposite the barge's ways.

THE SALARY QUESTION .- It was omitwas it defeated. The Council partially outbursts of applause during the reading broke up during the discussion upon it- that the selection and the rendition of it subsequent issues. I and Boats taking out a License and Cargo an adjournment took place. We hope gramme was completed by Mr. J. G. COUNTY COURT AND GENERA Book at this Port for the year 1875, are hereby the by-law will be left on the table and Stuart reading a selection from Nicholas

MEETING. -The anniversary meeting brought down the house. The singing of the Portsmouth Methodist Church was the National Anthem brought this very held on Monday evening, which was very pleasant meeting to a close, and we left, pleasant and successful. The President only sorry that there had not been more of the Conference, Rev. Mr. Elliott, Rev. Mr. Crozier, of Bath and the Rev. will give some more such entertainments Mr. Awde made stirring addresses. before the session is over, and that we and The evening was very happily and profitably spent.

THE best known remedy for all affections Syrup of Red Spruce Gum. It has been tried by thousands of persons suffering from the above diseases, and in every instance it has given immediate relief. cases of troublesome, tickling cough, where the patient passes sleepless nights, one or two doses of the Syrup has such an effect that rest ensues, and the cough disappears. See advertisement.

THIEVING .- Numerous letters are received by the police requesting them to "lay low" for sundry thieves who make themselves free with the property of creasing. Petty offences are common prisonment, thus to pass over a rigorous

bachelors and adding largely to the reve-

nue of the city. Here is what he writes

to the Montreal Witness: "There are hundreds of the unmarried men in the city getting from \$6 to \$25 per week, and who do not pay taxes. These men pay from \$3.50 to \$5 per week for their board, and numbers of them spend the balance in luxuries. The writer employs over 30 hands, most of them single, getting salaries varying from \$7 to over \$30 per week, and some of them, if thrown out of employment, would not have money enough to keep them for anothers. Some of the losses are very other week. Now I suggest that all unheavy. Locally speaking crime is not in- married men getting \$7 per week and over, be taxed just one week's pay per geese annum, and that it be collected from the enough, but of these it is said many are employers as follows: Let the tax collect- key. committed as a means of leading to im- ors call on each establishment and demand a list of all single men employed, 2 pairs turkeys. and the employer be made to pay one week's salary of each man, and deduct it and basket of cake. from their wages This can be done very Mr. John McCummiskey, 1 pair of easily and at once, and would bring in a ducks, 2 roasts of beef, turkey and
