wheat for the season of rice, widow of prince Henry of Batten-1899-1900, from which it appears that burg, will be the principal beneficiary. the area sown was 7,904,000 acres, as She is the governor of the isle of Wight and will probably inherit Osborne house Then the duke of Connaucht sons, who have been great favorites with Victoria, will receive a large portion of the fortune. The duke will probubly become the owner of Balmoral and the Scottish property.

The grandchildren who are expected to receive the largest, bequests are the two children of Victoria's youngest con, the former cluke of Albany. The queen's second daughter, princess Christian, Schleswig-Holstein, is not rich, and is expected that she and ber tour childtion of the gulf. dren will be liberally provided i.r. Edward VII., who will be amply provided for by the country, and the duke of wall, will probably not be sharers in the late queen's private fortune.

A Wife's Devotion.

Berlin, Jan. 25.-The Berliner Neueste quette had thrust the prince consort omewhat into the background, and spouse, "deeply affected queen bowed and at the second bowed very low. Her eyes sparkled with tears, and as the king sat down she bent over and kissed him on the cheek, and then sat down herself, bearing with joy.

HAD A MILK SHAKE.

Chorus Girls.

New York, Jan. 21.-Looking for novelty at break of day, two young men, accompanied by a couple of youths, decided to take a ride on a milk waggon. The novelty might have been at tended by serious results, for on of Eighth avenue and Sixtieth Shan-Hai-Kwan. street, the waggon was overturned. The owner demanded compensation.

The women were Georgie Ames and Mabel Barr, members of a musical comedy which recently opened at a Broadway theatre. The names of the men are preparatory to gradual debarkation. not known. Each wore the emblem the New York athletic club.

The party emerged from a well-known about five o'cleck. Across the street stood the milk waggon. Edward Bridgman, the owner, had just entered neighboring house and the quartette concluded he had no immediate need for
