NEVER FORGET HER.

"Our Nation's Guardian Angel," Says Broadbrim-Value of a Tried Correspondent - Stewart Mansion to be Razed-Catch One More Wily Boer General and End the War.

(Whig Correspondence; letter No. 1,236) New York, Jan. 25.-In every respectable journal in christendom the individuality of the staff is sunk in the paper. | in breadth, no sign of any living thing | It is seldom asked what Mr. Smith or | could be heard. The savage beasts Mr. Brown ask or thinks. The great public does not care a straw what either of them thinks; and it is only so far as they reflect the well defined principles of some thoroughly organized party that they claim any serious attention.

H WARWICK -- "BPOADBRIM." If the editor-in-chief chances to fall y the wayside, there are several men on the staff who can fill his place, not quite as acceptably, at least sufficiently well to pass without censure, till the place can be suitably supplied.

There is one gap, however, that is not so easily filled—the place of "Our, own Aches Machar. Apply to JOSLIII correspondent"-not on account of his superlative ability, or that his style is so much better than that of any other members of the staff, but he has a subect allotted him about which everybody wants to know. The passing events of a great city are eagerly sought for and devoured by the average reader. he is a good correspondent his place i. not easily supplied and the attempt to force anything else off as the work of the original Jacobs is deemed as a crime by the regular subscriber, worthy of capital punishment without the benefit of the clergy.
