An Attack In Lydenburg Garrison Repulsed.

TO HAVE BEEN RECEIVED.

But it Comes Through German Sources-The Boers Are Near the End of Their Tether.

New York, Feb. 12.-A special cable to the Herald from London, dated today says: "A very curious sentiment prevailed in London vesterday in regard to the condition of affairs in South Africa. It was one of supreme hopefulness; so much so that there has never been any such onovancy of scuttment since lord Roberts reached Pretoria. There is absolutely no doubt that the news has reached here from German sour ces, showing that the Boers are oret nearly at their last stind in their continual harassing. The developments lord Kitchener's well land plan leaves them in a well nigh hopeless condition.
