James Hammond, a well known mining man, and promoter of the Hammond Reef company, was killed! assisting in unloading a boiler at a mine at Island Falls, when it fell upon him and an assistant, John Mc-Grath, both being instantly killed. Europe. A north-easterly gale has been

Good Order Prevails.

One commendable feature which man ager Brannigan, of Victoria theatre is to be congratulated upon, is the good order maintained throughout 'fe past season. The rough element which annoved the audience in past seasons has been eliminated, and withing but good order and regularity is permitted under the present management. This is worthy of notice, considering filled to overflowing every night.
