Flat Lands, N.B., Lec. 18, 1900. Dear Sirs, -A short time ago my blood got so out of order that many boils appeared on my face and neck. Hearing Burdock Blood Bitters so highly recommended by my neighbors as a blood purifier, I resolved to give it a trial. After using the first bottle the boils began to gradually disappear, and before another bottle was used was completely cured. I would advise any one suffering from any disease arising from impure blood to give B.B.B. a trial. GEORGE CALDWELL.
