as in the morning. On the evening that he committed suicide he read in a newspaper of man going to the barn and shooting buckshot. He then said that no man who won large sums of money, and in his right mind would commit such an act. That night he went to the barn and killed himself in the same manner as the man he read about.

TO CHEAT THE GALLOWS.

Convicted Murderer Makes Superhuman Effort to Save Himself. Los Angeles, Cal., April 25.-E. Methever, convicted of the murder of Dorothy McKee, having exhausted every legal resource to secure executive clemency, is now trying to cheat the gallows by starving himself to

For three days he has eaten nothing. Whiskey and beaten egg have to be forced down his throat, and he is

He has appealed to the governor to commute his sentence to life imprisonment, but has received no reply.

Methever's crime was peculiarly cold-blooded. Although fifty years old and married, he became infatuated with young Dorothy McKee, and tried to force his attentions upon her. She morning when she was taking a bicycle ride upon the beach he shot her

Afterward he turned his pistol upon himself, but was careful that the bullet should not reach a vital spot.
