TUESDAY, MAY 14th.

Hats From Paris, New York and Starr & Sutcliff's.

All the worthy patterns of our friends across the line and ocean are copied by our skilful trimmers Such smart, stylish creations are not to be got in many James Curtis, Belleville, places in the Dominion. Our people know just what to put on and what to leave off to make a hat just right. They know just where a bright color should be and they know just where a subdued shade is best The result is that they make what the ladies call "a perfectly lovely hat," and the extra stylishness is not charged for-you pay for nothing but the hat. This season we have an unusually well selected line of Edley W. Asselstine, a miner in the unique, up-to-date novelties and trimmings. We wan company at their mice mine on Sand every one who can to come and get acquainted with us violin, which was once owned in this stock. You'll not be urged to buy, except by the goods themselves.
