A Necessary Explanation.

This new view of the race problem must protect itself and feels in duty doubtless attract a number of wheel were at their weddings a few days bound to make some explanations. men from Toronto and other points. The report has circulated around for my the last couple of weeks, that one of venture. The schools give away the and shortly after the betrothal isement, and the winner's Lard work to win is rewarded by his obtaining the scholarship. This is all, there to it, and all are recompensed. If this false cry had not been raised the list I of competitors would have been large and lively, for many turned in are told that the report is false, and the Whig is going to carry it to finish, and will allow any of the competitors published in last Tuesday's paper to transfer their number coupons and we will give credit, provided the one securing them brings to this office a written guarantee from seller, that he has been recomor is willing to make the transfer. The Whig is running contest fairly and any reports to the contrary are untrue. We do not care who wins, but we are going to see properly finished.

Why She Wanted The Gate Opened.

From Mainly About People The bishop of Norwich has perhaps more stories told of him than bishops. On one occasion he was hold a confirmation at a small town, and, arriving some time before steps led him to the outskirts of the town, and, passing a picturesque cottage, he stopped to admire it. A pretty little garden separated the tage from the road, finished off with a neat hedge and green gate. "fete de obligation."

"Oh, please, sir," said a voice from the other side of the hedge. you open the gate for me?" This the hishop once did. Then, to his surprise, instead of the tiny child he had expected, there stepped forth a girl quite big enough to have opened the gate for herself.

gate for yourself?" wet," said the child. A glance at his hand testified to the bishop but too plainly the truth of her statement
