A number of sisters of the wage clause in the government concondition.

Mr. Britton thought that Mr. Swtherland might offer his services as arbitrator. R. L. Borden complained that D. J. O'Donoghue had not fixed the rate which the wonkmen shodld be paid on the contract, and contended that had the provisions of the fair-wage clause been observed in connection with the contract for locomotives the strike would have been avoided. Mr. Sutherland reulied that there was a difference of opinion whether this contract came under fair-wage clause, but he was quite ready to do anything he could to assist in bringing the strike to an end.
