STOLE WATCH AND CHAIN.

Hails From Watertown.

Last evening chief of police Baillie the party has not yet found the ideal received a telegram from Deseronto, asking him to arrest a young man named Stanley Files, who had stolen gold watch and chain and a rare silver coin from a friend there named Fraser, Accompanying the telegram was a clear description of Files. The telegram was handed over to constable Bateson and, accompanied constable Naylon, he set out in quest of the young man. He came across past seven o'clock and promptly placbut after being taken to the police station he confessed and told every- price. thing it was desired to know. Files is a well-dressed young man,

In a Goodyear Welt there are two kinds of Insoles a one is Leather, and the other is a Sleeper Patent Flexible Insola. There is only one shoe that represents a perpetual comfort, whereby a shoe takes the place of a slipper in the house, or a beet on the street -this is the Goodycar Welt that is made with the Sleeper Insole.

The Sleeper Patent Flexible Insole, which is made from 15-ounce Duck, is noft and pliable, perfectly waterproof, and shapes itself to the foot in such a manner as to afford the greatest possible comfort. The Sleeper Insole will not harden with perspiration, as leather insoles do, and is always ready for immediate wear. The J. D. King Co., Limited, have the exclusive right for Canada.
