COMMERCIAL MATTERS. What is Going on in the Business World-The Market News.

and it is a very their comratdes. and the deposits about \$7,500,000.

ALL, ALL IS PEACE.

The war which began in obstinacy over a little difference and waged furiously at first between the street railway company and its employees has been daily losing its sharpness and force all this second week, till things were ripe last evening for inshort hours as far as proposals to bridge the difficulty could go. This morning this settlement, a series writing and signed by the company officials and union officers. In fact the two parties were so near together that GH W. BELL, V.S., D.V.D.S. only a thin paper wall of pride and omes 70-72 Princees street, Govern-nent Voterinery inspector. Veterinery, a business embrage. It required only a small effort at reconciliation to bring peace and re-union about.

It was understood last evening that the motormen and conductors will go MCLELLAND & COm back to service at once at the rates, leaving advance asked to the generosity of the company. This, it, is fully expected, will be accorded byand-bye. Union officers will be recogother employees of the railway may be non-union and are not to be coerced into joining, and are to be per- an electrical association will meet mitted to deal with the company in next year in Quebec.
