SPORTING COMMENT. Fool the Batter.

to stop racing for the present till bookmakers will be allowed to do business there again.

Pitcher Callahan, of the Chicago | 118 and 120 Princess Street. . . . Kingston, Ont of the greatest things in the art of pitching is to keep the batter "in the who is doing the guessing. When it is one or more balls and no strikes, then the pitcher is on the anxious seat. This advantage is greater than many suppose. I always try to put the first ball over the plate, no matter what the curve and what the height. they hit it trust to your fielders, but never let them get you 'in a hole.' If they get one or more balls called on you and they are clever enough to fool off enough more to get their base on balls, or, knowing that you must put the ball over the plate, they have the advantage in their attempts to hit it out. They are just as wise as you are, and are generally good waiters. But even with these men the high ball close in toward them is difficult.
