BANK BALANCE.

Well Known The Marshall Spring Bidwell-His Friends Should Have An Eye

story, suggested by the recital of some in Canadian banks :

Many years ago a bright young fellow came to Bath, in Lennox county, A special meeting of the trades and Ont., with his father, a native of On Tuesday the ratepayers of Cape labor council was held last evening, Massachusetts. Born before the treaty Vincent will vote on a proposition to president Nelson in the chair. Com- of Paris, the father had not taken the expend \$10,000 for an electric lighting mittees were appointed to make all oath of allegiance, and therefore when arrangements for the demonstration he succeeded in being elected to the This morning manager Mackie, of on labor day. Col. Twitchell. United | legislature for Lennox and Addington on to take part in the big celebration sculler of England, for \$250 a side Hotel Frontenac, took out a warrant States consul here, will deliver an he was promptly expelled. The son contested the vacant seat in 1823, his opponent, a tory, Christie by name, winning, however, whereupon the young man petitioned against his rival's return, charging corrupt practices. It was claimed that the defeated man could not petition because he was on alien. He appeared at the bar of the house as counsel for the substituted petitioners and won. A new writ issuing, the returning officer was directed to exclude all votes for the young foreigner from Massachusetts. A change was made in the law in the session of 1824, and the young lawyer was elected. It was the first appearance in the

1836 much support to Mackenzie, and did all he could for Papineau by way of encouraging him, and in the same What would have been a delightful year lost his seat because of his pronounced sympathics with the agita-'hot heads," His name was a good one to conjure with, for his ability, sound judgment and careful demean or had recommended him to the public. On being requested by the authorities to join Baldwin in an effort under a flag of truce to bring the rebels to reason. Bidwell unhesitatingly declined to interfere.

enough time without travelling to the bott commanding, will begin drill which was inscribed "Bidwell and the sult: savings if you buy our coal. The agitators carried a flag on sist upon in transportation. Reglorious minority, 1837, and a good Last week W. J. Livingston lost a pect to go to Toronto to take part beginning." After the defeat of the

His letters were impounded by the postmaster and turned over to Sir Francis Bond Head, who had previously declined to make Bidwell a judge, declaring that the welfare and honor of the province depended on his majesty never promoting a disloyal man. Lord Glenelg did not see eye to eve with Head in the matter, and had ordered him to appoint Bidwell. Head COSTS had tendered his resignation and thus it was a most opportune occasion for to prove himself right. He made the most of the flag incident and of the refusal of Birbwell to aid in the negotiations, and, it appears, succeeded in forcing Bidwell to accept Speaking of the hay outlook in the one of the alternatives that he as Kingston district, H. W. Richardson, lieutenant - governor offered. "Take said that heavy clay land, once cov- your letters unopened and leave the ered with green, can hold little rain. | country, promising never to return, or result from the contents of the letters Head himself says. There is, however, some doubt as to the exact reason; but the fact is Bidwell took his letters, probably fearing that some of his friends might be implicated, left Canada, going to New York. Af-1843, lord Metcaffe, then governorgeneral-though no record could be found of Bidwell having promised never to return-formally annulled on the recommendation of Mr. Baldwin any such engagement if it had ever been made.
