COST OF SMALL-POX.

has cost some municipalities great deal of money to deal with the small-pox. Toronto's bill amounted to \$6,000, and London's \$1,800, and both accounts are considered light enough for the service which was undertaken. "Toronto," says the News, "has good reason to complain of the inefficient measures taken by other municipalities for the isolation of. smallpox patients. This city has expended had to be done over, and of the ex-\$6,000 this year in protecting the people from the spread of small-pox by The Stater Shoe? isolating cases that have originated in other parts of the province. If the local health officers would be induced I to exercise the same vigilance and Sheard, there would be no necessity for this great outlay on the part Toronto, and the province would be little sooner. freed from small-pox in a couple months. It seems to be impossible. however, to make the average health officer understand the seriousness of to be contemplating the desertion of allowing an affected person at large. Sir Mackenzie Bowell. The troubles of In some cases there has been criminal | the old man appear to be increasing. I neglect on the part of the local health officers, with no other apparent object than to escape the cost to the municipality of isolation."

There is a remedy for this criminal neglect, and the provincial board of health should see that it is applied. ply. Glad as people are to banish the something that is over his head. small-pox patient there is only one well known case in which the danger to Toronto.

Compelled To Give Up Note. Toronto, July 15 .- The court of appeal on Saturday gave judgment in favor of G. O. Hart, of Picton and his children in the suit of the Trusts and guarantee company, to compel Hart to give up a note for \$20,000 given by his father, James Hart, before his death for the benefit of the children of G. D. Hart. The company as executor claimed that James Hart had been too much under the influence of his son and that the note should lave been given before witnesses
