WORTHY AND UNWORTHY. Some reflections follow the nouncement of England's treatment of persons of mark in consequence of its war. The decision not to grant Sir Redvers Buller any money recognition because of his African service is regretfully contemplated. He was sent to the Transvall with an army which feel the better of it. which is not regarded by critics as pose. complimentary. Yet the conviction I grows that he had a hard time of it. and that he only knows the anxieties striking for higher pay, the revenue which he endured.

wards heroes of the war should have paid its employees reasonably, been that of acknowledgment accord forced them to do their work well. me to you by mail through our | payment to the men of the regular | tion. talogue -- Try it once and be | | fees. The fact that these were delayed, and that the delatoriness produced a recent painful scene among the imperial yeomanry, is evidence enough YRIBBROS. I of the necessity of reform along this

Next comes the question as to whe TORONTO. | ther the men who have suffered the cause have not a greater right saved in law. of recognition than the people whose obstinacy plunged Britain into so much mourning and debt. The battle-scarred veterans are cutitled to Boston pensions and rewards before the families and friends of the Boer leaders. The generosity shown to the Krugers and Steyns has been properly called extraordinary, and, the information regarding it being correct, there room for much comment. The war feeling may be resistless, and governments may be unable to cope with tribution of gitts there is an eterna fitness of things, and that there is a discrimination between

FREEDOM OF THE PRESS.

worthy and unworthy.

The quarrel between the war office and the Daily Mail is commented unfavourably upon by Goldwin Smith, who sees in the publication of unaua thorized war reports the sad degeneracy of the press.

A change has certainly come over 310 colored; 94c. bid. No sales, The the spirit of British newspaperdom [following factories boarded: Napanee, during recent years.
