PAY WHEN CURED.

You run no risk. You pay only when cured, if you can offer reasonable security. Failure to cure costs you nothing, as I take all the chances. The Dr. McLaughlin Electric Belt is the best electric body appliance that has ever been invented. (Latest patent June 19, 1900.) It is warranted on a bond of \$5,000 to give a stronger current, last longer and to cure quicker than any other electric body appliance made. Guaranteed for one year at my expense. It does not fall to pieces, as the cheaply-made belts do, and does not burn nor blister, as old-style the only up-to-date, modern electric belt on sale to-day.

Stomach Catara

Thos. Howarde, of Montreal, cured of a severe case

of fifteen years' standing.

Thos. Howarde, of Montreal, suffered from stomach catarrh and dyspepsia for fifteen years. He had tried so many remedies without being benefited that he believed he would never be well. Below we give the result after taking Powley's Liquified Ozone. His way of telling it is best:

THE OZONE CO., LIMITED. Gentlemen,-Having suffered from catarrh of the stomach and acute dyspensia for fifteen years and tried many remedies with very little benefit I decided to try Ozone, and for three days after using it I found little or n benefit, but the fourth day I felt decidedly better, and after using one bottl can bonestly say that I feel more comfortable than I have fell for many reason I am satisfied from the benefit already received that it will cure me entirely. (Signed) THOS, HOWARDE, 706 Dorchester St., Montreal, P.Q.

We believe, and we know that you would too, if you had the evidence every day as we do, that there is no other preparation extant that can approach Ozone in curing stomach and summer disorder. It rectifies the membraneous lining of the stomach, makes digestion complete and heals the inflammation of the intestinal tract. In bowel disorders Ozone stops the weakening drains quickly; absolutely essential in such ailments.

Consult our physician about your case. Write full details and you will get a specialist's advice free. Your letters are absolutely confidential.
