was half past two o'clock when TO- Friday nitermoon's session was resunned. Expert Gossler, Montreal, for sounds it made.

The company would not consent. The judges fixed the price at \$1,550, which both sides accepted.

Regarding the wages of ground men and pole climbers, the company placed them at \$2.50 for climbers and \$2 for ground men. The city thought the wages were placed too high. According to the company's charges, the erection of services cost \$1.50 each. The city thought the work should not cost more than \$1 per service. The city solicitor said that he had spoken to two men, Burns and Beecher, who had acted as lineman for company for many years. They had been paid \$1.40 each; would work now

Mr. Whiting read a letter from a lineman desiring work at \$2.50 a day.

The city also objected to an item judges suggested a compromise seventy-five cents. The company accepted the decision, but the city would not go above fifty cents.
