Sale Of St. Lawrence Islands. The number of islands in the St Lawrence to be placed upon the mar ket by the department of the interior numbers approximately 500. They are townships of Pittsburg, Leeds, Lans downe, Escott, Young and Eliza bethtown, and range from five acres to two one hundredths of an acre in extent. As soon as the plans of the islands and the conditions of sale are printed, offers to buy will be received by the department. In the event of two or more applications for the same island, the parties will be asked to tender, and the property will go to the highest bidder. Only two islands will be sold to the same applicant:
