THE LIFE INSURANCE CURE.

Result of a Dying Bachelor's Plan For a Novel Funeral. "I don't know that life insurance is a the town where I first began business was a bachelor of about 50 years, who soft, even finish, 9c yard. was quite alone in the world and had some years before taken out a \$5,000 pol-New sister, who had died a year before the Laura | events of this story. He kept his policy | vard. way to save money, and one day he was taken down with some kind of fever. He grew worse day after day, until one day 16c, 17c, 19c yard. the dector told him that he would in all likelihood be dead within the next 24

"This suggested his life insurance money, all he had to leave, and he immediate | 240 vard. ly began to talk with the doctor on the subject of a proper disposal of it. He concluded after some thought that the | yard. best thing to do with it was to blow it in on a tremendous big funeral for himself. | 23c vard. including a banquet for all the people be knew. This was an entirely new idea for a funeral, and when the doctor left him | yard. that night to the care of his nurse his mind was entirely occupied with his faneral. He talked to the nurse about it. and when the nurse made him stop he lay and thought about it. In fact, he became so much interested in the details of

having to die to make it possible. "In the morning when the doctor came he found his patient in a wild perspiration and his pulse beating in much better fashion than it had been doing for some days. He also found the general condition of the patient much improved. He was greatly astonished and at once began to ask questions. The patient told him with eager interest of a lot of new things he had thought of for the funeral and some that bothered him a good deal and said he had been thinking of it all night. Then the doctor laughed and told him he guessed the funeral would have to be postponed, for he wasn't going to die just then anyhow. Nor did he, and he isn't dead yet, but he is married and has his | Yard policy paid up for his wife's benefit."-

The Elephant Got Even.

A visitor to the circus one day teased one of the elephants by offering it a bun and, just as the animal was going to take it, pulling it back out of his reach This he did several times, and at last the elephant naturally began to feel rather angry, and finally be refused even to look at the bun or to attempt to

Later in the afternoon the elephant was being marched around the show ground when in the crowd he spied his

He reached out his trunk and calmly appropriated the man's hat. He beld it in his trunk for some time and then offered it to its owner. But as soon as he attempted to take it he pulled i back in the same way as the man had done with the bun. This he did two or three times; but

after holding it out the last time, drew it back and swallowed it, much to the man's disgust.

The Third Naval Power.

To all intents and purposes the United States is now the third naval power of thanking all for their kindness, but the world. Germany is a vigilant, active, aggressive rival, whose energy in this direction, constantly fostered by ruling power, may be expected to increase rather than diminish. Japan, the letter from Miss Hurst, professional | coming commercial power of the other I hemisphere, is annihilating with gian; soldiers to South Africa, in which strides the modicum of our supremacy Bryant's son, William, who left here | continue for some time at least to be exabout three years ago and who is a leetled as a naval power only by Great Britain and France.-Naval Review.

INDO-CEYLON TEA.

This Store's Greatest Sale Of White Goods. 45

The preparations have been upon a broader scale than ever before months and months ago, long before autumn leaves began to fall, ever before summer came to us, this sale was taking shape, and here is the "why." Faint rumors gradually turning to positive statements were coming across the ocean Itelling of scarcity and advances in Embroideries, Laces and Cottons. It was the dull time for underwear makers, the season in the year between the time when orders are that the superiority of their nomi- the church gave him a reception at would have a talk with the planter next completed for spring trade and the waiting for repeat orders, when machines are day, and no doubt we could come to an almost all idle. It was then that we proposed to a maker to make up our order for claimed the jete. The wretch is now in our January Sale. It was then that our orders were placed for December delivery of Embroideries and Cottons, and now here are the goods, piles of snowy whiteness to greet you at prices advantageous, which would be impossible but for our forethought in gathering months ago. Read the items, examine the goods, compare values, criticize the work, the styles, the shapes. This is a sale not only of White Cotton Underwear, but also or goods for the house, goods for women's wear, goods for men's wear, Embroideries, Lawns, Muslins, Cottons, Sheetings, Linens, Handkerchiefs. It will pay you to discount future wants and buy now. All lines the champagne I cast upon the water in of goods are advancing in price.
