ELECTRICITY—the fountain of Youth, the perpetual energy which sustains all animal life. It is the source from which springs the bubbling spirit of joy in young manhood. It is the vital element which & keeps up the nerve force in old men to a grand old ? age. When the body is charged with it the vital? powers are strong. Confidence flashes from the eye ? and the step is firm. Without it—well, how is it with you? Are you weak, gloomy, wanting physicial and brain force? If so you should begin at once using & my famous appliance for weak men-The

Dr. Sanden Electric Belt,

now known and used in all parts of the world for these nervous disorders of men which result from youthful errors or & later excesses. You place the Dr. Sanden Electric Belt com- 9 fortably around your waist at night when retiring. Use it o this way for two or three months and feel the new vigor and & energy which is sure to come to you.

The new suspensory attachment for the Dr. Sanden 9 Electric Belt applies current directly to the weakened parts.

Beware of those concerns and individuals who try to 8 live upon the reputation we have made. They offer old style ? Dr. Sanden Electric Belts along with their own worthless & imitations. The latest model Dr. Sanden Belt can be had & only at my office.
