Whistlewing made the first round in nine tares o'clock another trial will be made.

Oarpanters Go Un Strike.

This morning foreman Wilmob and the George's cathedral reconstruction went on strike. The men say they were docked their wages, and a notice has been posted in the union's room : "Keep away from St. George's. The men are out." R. Carson, chairman of the building comm tee, says all the trouble is due to a little difference between the foreman and the ommittee. There was no work for the carpenters by do for a week or so, and so they were laid off. As the union has taken | the machinists in the Toronto Junction up the cause of the men is will be difficult to get men to finish the job.

More Trouble Ahead,
