The Troops Ably Handled-An Engagement-An Armoured Train in Action-Not a Man Lost in The Engagement.

and can be accepted as correct: "Early Tuesday morning the troops

moved out in force, Major. Gen. Lord Wrangler - Wright commanding. Col. Hanover-Hanney was given command of a the left section, which acted as a flying column and did most effective work dur-Wright ordered the attack and the troops moved forward with their accustomed celerity. Kopje after kopje was taken, the troops being compelled many tintes to change front, but their mobilbity being as flexible as an India rubber band, little confusion ensued and each l time they charged home with cold steel. No kopje could withstand the assau and it was one grand triumphal march for the victors. The cavalry, command led by Gen. McJuigley-McKegney, was of great service to the attacking infantry. On account of the undulating condition, of the ground the cavalry brigade moved, slowly, but they never lost their post tion, renewing each attack with regularlity and precision as though on drys parade. While Wrangler-Wright's force thus attacked the koppes in front, Hanover Hanney's flying column made a reconnaissance to the west, meeting con siderable opposition, but coming out victorious at each stand. Special mention must be made of the valuable assistance rendered by Gen. Knuckle Nickle and major Grogan-Geoghegan with their armoured train. They ran up and down the line several times guarding and keeping the line of communica our tion open. Towards dusk the troops were withdrawn and, headed by their gallant commanders, marched in triumph, back to headquarters, where the roll was called and it was found that not single man had been lost in the attack warmth.
