Graham, after spending money freely, Coffee, on receipt of the news, swore out a warrrant and Graham will be brought back to Canada for trial. There is no enthusiasm here over the

recruiting of "C" company of the regiment intended to garrison Halifax. When the recruiting station opened this mornstreet yesterday. He had been ill since ling between thirty and forty men, all members or ex-members of the militia, presented themselves. Their names were taken and they were instructed to get papers from their commanding officers. The men are not of the same social cond comptroller of the United States standing as the volunteers for active service, and many of them seem to be without regular occupation. If men are to Great Britain, retaining the position unbe recruited for garrison duty it is the opinion of militia officers here that the authorities will have to be content with a lower standard than that formerly
