devote its power to the elevation of the pictorial art. For several weeks it gave golden promise, then commenced its peiod of decadence. It was no longer beiod of decadence. It was no longer loss to the grindstone and his life. The lain down in an ambulance waggon while Allan remained as poor as ever. The lain down in an ambulance waggon while Allan remained as poor as ever.

Youth, with all its pleasure, fire and vim, can be yours. Youth is health. It is only fresh, young manhood. I have proven my theory, which was that no pain nor debility could exist where the body was full of electricity.

ELECTRICITY has provided a means of regaining health and of curing all those effects of hard usage in past years.

I NEVER USE DRUGS.

I have known for thirty years that vital force, which is nerve and sexual life, was electricity. I know that nothing but electricity will restore it when lost. I have proven this. Fifty thousand are praising my method. Read these letters: CURED OF RHEUMATISM.

FROM A WELL-KNOWN MINING MAN.

ROSSLAND B ()

I began using your Belt. My back was very weak and report the complete cure in regard to my case of DR. D. BANDEN: I had no ambition for an undertaking of any kind I rheumatism which had bothered me for years. could not sleep, had cold feet, my blood would rush to don't think any one could have suffered more than ! 9 my head, and limbs would become numb for the want did and I have tried every known remedy without of blood circulation, which was so poor I thought total the least success. I am glad to say, however, now paralysis would be my fate. I had a dull heavy pain | that after using your Belt, the rheumatic pains have in the back of my head. Well, sir, I can state that I left me entirely, and I can ot too highly recommend am now a well man to what I was when I got your your appliance to all those suffering as I did Belt, and I would not be without one. You can place | Should you efer anybody to me for a reference, this with your te-timonials, that it may banefit suffer. I will be pleased to answer and tell them exactly how ing humanity. I am's mining man and well-known in | the belt acted in my case. Colorado, Washington and British Columbia. Yours very truly, S. J. GRAHAM.
