The necessity for a Spring Medicine is recognized by most people. The reason is easily explainable. Close confinement in badly ventilated houses, shops and school rooms during the winter months makes people feel languid, depressed, easily tired and generally "out of sorts." Nature must be assisted in throwing off the poison that has accumulated in the system during the winter months, else people fall an easy prey to disease.

Purgatives are of no use—they only leave people still weaker. It is a tonic that is needed.

Dr. Williams' Pink Pills

FOR PALE PEOPLE

Surpasses all other medicines in their tonic, strengthening qualities. These Pills have a larger sale than any other medicine in the world, which is solid proof of their merit. Wherever they are used they make dull, listless men, women and children feel bright, active and strong.

GREATLY RUN DOWN.

Mr. E. Hutchings, a printer in the office of the News, St. Johns, Nfld., writes: "I am greatly indebted to you for the benefit I have derived from the use of Dr. Williams' Pink Pills. I was in a greatly run down condition, and suffered from pains in the back and stomach. My appetite was very fickle and often I had a loathing for food. I was subject to severe headaches, and the least exertion would leave me tired and breathless. I tried several medicines, but with no benefit-rather I was growing worse. Then I consulted a doctor, and was under his treatment for three months, but did not get any better. Having read much concerning Dr. Williams' Pink Pills, I finally decided to try them, and bought two boxes. Before these were all used I could see a marked improvement, and I purchased four boxes more. These completely restored my health, and I can now go about my work without an ache or pain of any kind. My recovery leaves no doubt as to the remarkable curative properties of Dr. Williams' Pink Pills, and I may say their value has been further proved in the case of a friend to whom I recommended them."

Pink colored pills in glass jars, or in any loose form, or in boxes that do not bear the full name "Dr. Williams Pink Pills for Pale People," are not Dr. Williams'. The genuine are put up in packages, with wrapper printed in red. Sold: by all dealers or direct from the Dr. Williams' Medicine Co., Brockville, Ont., at 50 cents a box or six boxes for \$2.50.
