Little sleepy-head shows all her three-year-old "toofens" in a good, square, health" 'yawn—and 'scuses herself afterwards.

Just why big folks deny themselves the luxury of a whole-souled, muscle-stretching, lung-refreshing yawn, is no concern of little "Sleepy-head"—she is not afraid to show her two rows of pearl dots. They are just as nature made them, white, sound and pretty.

Your breath may be as pure and sweet as hers, your teath just as pretty, your yawns as picturesque, if you use DENTOFOSS for the teeth.

It cleans, brightens, polishes and preserves teeth—sweetens the breath—refreshes themouth and invigorales the gums. At your Druggist's
