ANOTHER LIBERAL SPLIT.

Then it was home rule for Ireland, in regard to which some of the party kaders refused to follow Mr. Gladstone. They became unionists, and by the title gave it to be understood that they | havoured a condition that could not be had with the proposed legislation. Some of them are in the government to-day, notably Chamberlain and Lansdowne. working in presumed harmony with the men they formerly opposed and with a bitterness that knew no ceasing.

Now it is the Transvaal war, and the subjugation which it involves.

Lord Rosebery, who is the most picturesque figure on the liberal side, is a jingo in spirit, and believes the government should continue its conquest of South Africa until Great Britain's sovereignty is fully and permanently recognized. He and those who act with him, in the Imperial liberal council, are called the "Greater Englanders," and they glory in the name.

conditions that are likely to grow out of it.
