A FLAG INCIDENT.

the Union Jack.

A flag incident which has occasioned considerable talk took place between two Pointer No. 83. and three o'clock Thursday morning. musicians, over forty strong, turned out The principal actor was a member of the 39th separate company, Watertown, N.Y. Some of these men proceeded to put into effect to the very letter the latitude given them by mayor Minnes in tendering them the freedom of the city. At about the hour named a great many of the visitors were feeling quite hilarious from several "causes," and two crowds of them met on Princess street. One had possession of a large union jack and the other wanted to be similarly provided, men of the Victoria rifles freely admitted so one of them proceeded to pull down a huge union jack hanging beside an American flag and stretched across the street from Samuel Harkness' hotel to the building opposite. In tearing loose the flag the bunting was torn badly, but not beyond repair, though the flag cannot be made to look as wel Had a far away look in his eyes, pre- as before. After cutting it free
