To the Heads of the House.

The responsibilities of the household, the care of children and the preservation of an even temper all come easier to the heads of the household when good health is theirs. Healthy people have healthy children. Healthy people are not usually crusty and cross and fretful without cause. We may all make mistakes, but with good health as our share we are liable to make less of them. Bear in mind always that

THE DAILY USE OF ABBEY'S EFFERVESCENT SALT WILL KEEP YOU IN GOOD HEALTH.

Millions of people in Great Britain, Europe, India, Canada and the United States know that this marvelous English remedy, made from the salts extracted from the juices of Fresh Fruits, is a positive preventive and cure for Dyspepsia, Biliousness, Constipation, Sick or Nervous Headaches, Flatulency, and all ills caused by these primary causes of disease. There is nothing else like it or as good in the world. Your physician will tell you this. Here is what one of thousands of them says: "I prescribe Abbey's Salt and think it should be better known. It is very pleasant and very decided in its results. I recommend it to adults and children who have sluggish livers and rheumatic difficulties."—Dr. S. Matherson, N. Y. All druggists, 25c., and 60c.

CHLORODYNE.

THE ORIGINAL AND ONLY GENUINE

ORIGINAL AND ONLY GENUINE

CHLORODYNE is admitted by the profession to be the most wonderful and valuable remedy ever discovered.

CHLORODYNE is the best remedy known for Coughs, Consumption, Bronchitis, Asthma.

CHLORODYNE effectually checks and arrests those too often fatal diseases: Diphtheria, Fever, Croup, Ague.

CHLORODYNE acts like a charm in Diarrhœa and is the only specific in Cholera and Dysentery.

CHLORODYNE effectually cuts short all attacks of Epilepsy, Hysteria, Palpitation and Spasms.

CHLORODYNE is the only palliative in Neuralgia, Rheumatism, Gout, Cancer, Toothache, Meningitis, etc.

From W. Vesalius, Pettigrew, M.D., formerly Lecturer at St. George's Hospital, London—"I have no hesitation in stating that I have never met with any medicine so efficacious as an Anti-spasmodic and Sedative. I have used it in Consumption, Asthma, Diarrhœa, and other diseases; and am perfectly satisfied with the result."

"Earl Russell communicated to the College of Physicians that he received a despatch from Her Majesty's Council at Manila to the effect that cholera has been raging fearfully, and that the only REMEDY of any service was CHLORODYNE.—See Lancet, 1st December, 1864.

CAUTION—BEWARE OF PIRACY AND IMITATIONS.

CAUTION—Vice-Chancellor Sir W. Page Wood stated that DR. J. COLLIS BROWNE was undoubtedly the inventor of CHLORODYNE; that the whole story of the defendant Freeman was deliberately untrue, which he regretted to say had been sworn to.—See Times, July 13th, 1864.

Sold in bottles at is. 1½d., 2s. 9d., 4s. 6d., and 11s. each. None is genuine without the words "Dr. J. Collis Browne's Chlorodyne" on the Government Stamp. Overwhelming Medical Testimony accompanies each bottle.

NOT AN ACCIDENT

but a deliberate upset in sheer disgust at the inferior quality. BUT when GOOD paint is regularly and judiciously used on House, Furniture, Outbuildings, Waggons, Implements, etc., there is no outlay LESS wasted. On the contrary, none gives such a good return, pays such interest. Besides beautifying them it prolongs the life of these things in a most wonderful manner.

RAMSAY'S PAINTS

are the paints to use. Owing to their lasting and great surface covering qualities they are the most economical as well as the best. Their colors defy sun and rain and are almost fadeless. Neither will these fine paints crack, blister or scale like common and inferior grades. No other paints approach them in value. Ask your dealer.

Mining Company's Troubles.

New York, May 31.—Under the appointment of judge Smith of the supreme court, referee Vernon M. Davis, to-day began the hearing of the application for dissolution of the New York & Camalote mining Co. The company was organized in 1881, with a capital stock of $1,000,000, and had gold and silver mines in Honduras, which proved unprofitable. The company has no creditors, the only assets are old mining machinery in Honduras and mining rights there.

FACE & HEAD COVERED WITH SCALES

Shed a Tablespoonful at Night. Hair Full of White Scabs. Offer $100 for Cure. Friend Suggests CUTICURA REMEDIES. Tries Them and is Cured.

Last summer I had company,—a man and his wife. The man's hands and face had dry, scaly sores on them, and his head was covered with the same, his hair being full of those white scales or scabs. His wife said, "Some mornings she would find a tablespoonful or more of them in the bed." I asked him what ailed him, and he replied "that he did not know." "Why don't you cure yourself?" "I would give a hundred dollars to be cured. I have paid out a lot of money, but don't get cured," he said. Well, I told him "I would cure him for less than that," and told him to get the CUTICURA remedies and he would be cured. As he was living in Bristol, Vt., I did not see him for some time after, and then he fairly shouted to me: "I am cured. CUTICURA has done it. The Lord bless you and CUTICURA." MRS. SARAH E. MINER, Feb. 27, 1898. Lincoln, Addison Co., Vt.

TETTER CURED BY CUTICURA

I had Tetter on my hands for two years. My hands were all cracked to pieces, and bled so that I could not decently dress myself, and they itched terribly. I tried everything, but nothing seemed to do me any good. I tried the CUTICURA remedies and they no longer bother me at all. SALLIE E. COPELAND, Woodland, N. C. Sept. 17, 1898.

TRIFLING DISCOMFORTS,

Sometimes Cause Grave Disasters in a Man's Affairs—G. W. Underwood, of Fenelon Falls, Almost Had to Give Up Business From Heartburn.

CELERY KING CURED HIM COMPLETELY.

A case of "little drops of water" again, instead however of building up anything great and beautiful what we have to talk about are some of the ills which insidiously attack a man's constitution until he is a physical wreck. You wouldn't think that heartburn is a very general complaint; it is nevertheless a form of dyspepsia, it results from acidity of the stomach. Flatulence sets in and when this raw galling liquid is belched into the throat it is particularly disagreeable. You may have this only occasionally. It should be stopped as soon as possible else it will become chronic. To-day we give a letter we received from one of Celery King's Fenelon Falls friends. It relates to a chronic state of heartburn so that you can judge for yourself as to the seriousness of the trouble.

Mr. George Underwood, at one time a resident of this place, came to our house one day a few months ago and said that he suffered terribly with heartburn. Sometimes he could not sleep with it and everything that he would eat caused that burning sensation. He felt so wretchedly that he thought he would have to give up business. We told him to try Celery King. He told me to get some, which I did, procuring a package at Lytle's Drug Store. Mr. Underwood now says that Celery King has completely cured him and he has recommended it to a friend similarly afflicted. In our family we have found Celery King a great remedy for sick headaches and constipation and say a good word for it whenever we can. Yours, J. T. Fenelon Falls, March 28th, '99.

Not A Candidate.

D. F. Armstrong states that he is not a candidate for the city clerkship. He thinks it would be very bad judgment on his part to make an application in view of the recent mode of appointment followed by the city council. In his opinion no liberals need apply, although the appointment is a municipal one.
