Is the morning, as it should be, the brightest portion of your day?

Then your liver is naturally active. Your stomach requires no assistance in performing its functions. Your digestion is good, and you are and feel well.

If you cannot answer the question in the affirmative, the remedy is at hand. A teaspoonful of

in a half-tumbler of water taken before breakfast, will stimulate the liver and digestive organs and brightens the whole system. It is better and cheaper than any mineral water.

A pamphlet explaining the many uses of this fine preparation will be mailed free on application to the Abbey Effervescent Salt Co. Limited, Montreal.
