## BRICK-DUST SEDIMENT.

Mr. Walter Buchanan, 19 Penrose St., Sarnia, Ont., says: "For a number of years previous to taking Doan's Kidney Pills I suffered a great deal from kidney trouble in various forms, such as brick. dust sediment in the urine, acute pains across the small of my back, pains in the back of my head, lost appetite, dizziness, tired,

weary feeling, and general debility. From the first few doses of Doan's Kidney Pills I began to improve and have continued their use until to-day I am a well man. I have not got a pain or ache about me, my head is clear, the urinary difficulties all gone, my sleep is refreshing and my general health is better now than for many years.
