FROM A LEADING CHATHAM MANUFACTURER.

Maple City Cooperage. Chatham JOot, 18th, 1897 R. T Phillips, Propriator. DEAR SIRS, -Some time ago I was treated by one of our best city doctors for continued bleeding at the nose, and the treatment I was subjected to weakened my stomach to that nothing I could eat would agree with me and I could retain nothing but bread and milk, which was my chief diet. I tried a bottle of your sloan's Indian Tonic and at once began to improve and it has made a permanent cure in my cuse. I can now partake of my food no matter how strong, and experience no distress after eating. I have recommended it to several people and in every case it has given grand re-

sults and a bottle of it should be in every household. INDIGESTION PERMANENTLY CURED.
