ABBOTT IRON WORKS.

Why They Came Here-What The Abbotts Will Do.

The result of the Abbott by-law vote was assuredly a surprise even to the members of the iron firm. W. Abbott, who spent yesterday in the city, left for Montreal last night, but stated before leaving that the preparation of plans of the buildings would be commenced at once. It has been hinted that the firm will exect buildings greater magnitude than suggested the by-law, that the firm young hogs. They are cured and smoked trade by an easier coping with keen competition, gained from location in this city. If their belief leads to an assured fact then the city has justified itself in opening its gates to the firm. Kingston has done its share and it now rests with the Abbott ployees of the office, amiable in disposifirm to fulfil their part of the contract, and tion, and honest in all his dealings. In reif the ad.age: gained through having their works here are as great as they calculate the success of the works is assured. Mr. Abbott has stated that as soon as the frost leaves the ground the work of grading will be commenced, that to be followed by the erection of the buildings. A few of the reasons why the Abbott

firm is moving west have been thus stated: Montreal contains two strong iron and nail concerns, the Pillow-Hersey company and the Montreal rolling mills. The latter poseeses an immense financial surplus. and aims to shut out smaller firms by the night was a great success and the Girl.' issue of a very low price-list for their Own circle and Mrs. Boyd are to be congoods. This competition has pressed hard gratulated on the favor with which their against the Abbotts so far as the sale of first attempt was received. The following location tages are gained. Coal during the sum by Miss 1). Sturgess: England, Miss mer season can be laid down here at a | Walker: Ireland, Miss E. Knox: Scotland, much lower rate than in Montreal, a big Miss M.
