SIR CHARLES' BABBLING.

The oracle of the conservative party, its leader in the commons, has been in Montreal, and of course he has been in talkative mood. What did he discourse about? The incapacity of the government. According to Sir Charles the liberal ministers are a lot of light weights, and they have been blundering ever since they have been in power.

over in all this but for one fact, to which preparing the way for a return to office of Balfour, at Manchester, on the Indian E. Ferris, Lemoine's Point, has purchased the conservative leaders. "The govern- policy of the government, and added a number of cattle from E. Graham, Front ment," he remarks, very knowingly, and that the ministers were determined, road. He will go extensively into stock with a roughish wink, "is doing the work of Chinese commerce should not be shut Prof. of the conservatives. If I - the to Great Britain. tained Sir Wilfrid for the express purpose tion and both the liberal and conservahe could not be doing my work better." tive newspapers commend the plain And still it is blundering—doing just what | speaking. he would do if he had the chance, doing "What we want in China is trade. We office, Portsmouth.

or Hail Columbia, as the American critic occasions. When the loan is definitely of the past and calls upon them to witness will have to let us know not that the Mackenzie government blunder- the principle we have laid down, but ed, and that he, the doughty knight, they will have to be definitely asked programme includes Mrs. Twining, Mrs Mackenzie blundered on the C.P.R. and carrying out the policy promulgated Mrs. Nelson and Mr. Walkem. Van leaves Cartwright blundered on the tariff, in the the government will have the support On ario bank at 7:30 pm. opinion of Sir Charles. Once he made a five hours' speech, "and," said he, with are eminently concerned. Both his native modesty, "I make bold to United States and Japan recognize the say-it was then freely admitted-it did likely to be derived from ports free more to cause the defeat of the government and open. than any other factor." The father of confederation having passed away he claimed the credit of it, and alleged that the his. tory of confederation was his history! The leaders of the campaign of 1875 '76 and

them, he describes himself as a sort of whirlwind or hurricane before which nothing could stand.

Best of all, perhaps, in this column of gull, is the reference to an episode in one her policy of aggression in Corea. of the closing sessions with the Mackenzie appointment of a new Russian ministe Mrs. Sternaman, the convicted murder. government.
