FRONTENAC'S NEW WARDEN.

exander Munroe Very Popular mith All

warden of the county of Frontenac for 1898, is one o He is a true Canadian, with an and entered as a clerk in a general store, removing to McDonald's Corners in the year 1874. There he remained six years, when he left for Ardoch, Clarendon, and commenced business in his own name In his business career, he has been most successful, and now controls an immense trade. His affable and generous nature han made him popular with all classes, and has gained for him the distinction of being the best-liked man in the township. The county has had his valuable services as councillor for six years. The first year he ran his election was secured by a majority of two. Since then he has been recounty property. In politica Mr. Munroe stands by conservative principles.

years has been a manager of the bank of it be true, one of the consequences must be tion as commandant of the 14th P.W.O. Montreal, the last twenty of which have been spent in Chicago.

Warden Munroe's record as a councillor proves him a faithful servant of the county, and his appointment to the chief office is due reward for his efforts.

The Children Disposed Of

Edward Mullen, president of St. Vincent de Paul society, appeared in court this morning and, acting for the father of the children, asked for the custody of Mrs. Rourke's little boy and girl, promising to have them properly cared for in the house of Providence. They were given over his charge and he at once removed them the above named institution.

These are the children there was a much trouble about last summer. They were taken from their parents and put in the infants' home, but the boy ran away and the father claimed the girl, his request being acceded to.
