Maple City Cooperage, B. T. Phillips, Proprietor. Chatham Oct. 18th 1897 DEAR SIRS,-Some time ago I was treated by one of our best city doctors for continued bleeding at the nose, and the treatment I was subjected to weakened my stomach so that nothing I could eat would agree with me and I could retain nothing but bread and milk, which was my chief diet.

I tried a bottle of your Sloan's Indian Tonic and at once began to improve and it has made a permanent cure in my case. I can now partake of my food no matter how strong, and experience no distress after eating. I have recommended it to several people and in every case it has given grand results and a bottle of it should be in every household. Yours very truly, B. T. Phillips.
